## Lifting massages with cavitation and biostimulation laser "3 in 1" for skin treatment

Device treatment enables very effective lifting , firming and smoothing of the skin . Cavitation stimulation releases skin tension and activates facial muscles. Massage with special handles works deep into the skin and strengthens it. The biostimulation laser accelerates the physiological functions of the skin, the skin is healthy, strong and rejuvenated . You can choose treatment of the eye area, wrinkles, total face lifting. The overall result is supported by **dermocosmetics Janssen Cosmetics** .  
**Total treatment for face and neck lifting 45 min/ 2.300 CZK**

**Lifting device treatment is suitable for women and men and for all skin types.**

**Purchase of a treatment of 5 or more treatments discount 5% of the total amount.**

## **Esthetician - Beauty salon**

### **Body lipomassage with cavitation device**

Drainage lipomassage of the body is performed with a device with cavitation .

Cavitation intensively heats deep in the skin and in combination with drainage massage with special handles , breaks down fat cells . Lipomassage targets problem areas, supports lymphatic circulation . Thus the organism is drained. The biostimulation laser supports the overall condition of the skin.

Lipomassage are effective in fighting cellulite , firming and remodeling the figure , slimming and smoothing the skin of the body .

**The treatment is suitable for women and men.**

**The treatment can be performed any part of the body.**

**Total treatment for body 120 min / 3.500 CZK**

**Local treatment for body 100 min / 3.100 CZK**

( whole legs or thighs + buttocks or abdomen + hips or back + arms )

**Purchase of a treatment of 5 or more treatments discount 5% of the total amount.**

**For maximum lipomassage results we recommend combining it with body wrap programs .**
